Job Description _____

Due to the use of paint and chemicals needed to perform the job, we must ask that a release of liability be read and signed by the customer. Please read to following instructions to prepare for the refinisher.

1. Remove any objects in the room in which the work is being performed. This includes, but is not limited to: pots, pans, food, pictures, phones, computers, stereos, plants, clothes, rugs, etc.
2. The resurfacing process will create lightweight dust. Even with the precautions that we, as well as you take, it will be impossible to completely eliminate the presence of dust.
3. Please allow at least 24 hours for tubs, and 48 hours for countertops to dry before using or placing items on them. If damage is done to the tub or countertop during the required drying period, Quick & New will charge any repairs.
4. Quick & New employees are not responsible for reinstalling shower doors or plumbing fixtures.
5. The room temperature must be kept cool during drying period.
6. Please ensure that leaky faucets are repaired or removed before the workman arrives. They will not be able to do the job if there is water continuously dripping into the tub.
7. Payment is required the day the job is complete. You must be present to sign off on the invoice before the workman leaves. We accept cash, check, money order, or credit card over the phone.
8. In the event that you are not present during a job, our workman will call you 15 minutes prior to finishing so that you can meet him at the jobsite.
